

Assembly-Certificate

No.: MZ.M.1090-2.0184-04

In dependence on EN 1090-1, the following is stated:
This Certificate confirms that assembly of products put on the market in the scope of the CPR can be executed.

Execution class(es):	EXC3 according to EN 1090-2:2018, Section 9
Intended use:	Assembly of Products in the field of CPR
Declaration of performance:	Assembly (cutting, holing, forming, mechanical fastening)
Name of manufacturer: Full address	Alpintec GmbH Handwerkerzone Weiher 2 I – 39010 St. Pankraz/Ulten
Manufacturing plant(s): Full address	Alpintec GmbH Handwerkerzone Weiher 2 I – 39010 St. Pankraz/Ulten
Confirmation:	This certificate attests that all provisions concerning execution and monitoring of the assembly described in the standard above are applied.
Responsible Assembly Coordinator: (Surname, Name, Date of birth)	Dietmar Tumpfer, 16.01.1978
Begin of Validity: (First issue date)	01.09.2015
Next surveillance date:	04.03.2026
Period of validity:	This certificate will remain valid until 04.09.2026 , as long as the standard remains valid and the assembly conditions or the monitoring of assembly itself are not modified significantly.
Remarks:	This certificate is valid for the assembly of structural steel components up to EXC3 only, not for production or putting products on the market.
Place, issue date:	Essen, 12.04.2023
